Atlas Series Product Comparison

Atlas Essential™, Atlas Travel®, and Atlas Premium™

The Atlas Series travel medical insurance plans from Tokio Marine HCC – MIS Group are available almost anywhere you may travel internationally for vacation, study abroad, business, and mission work. Atlas Essential represents the most economical version of our well-known Atlas line, while Atlas Premium provides the highest levels of coverage among the Atlas plans.

What Does Atlas Cover?

International Coverage

Emergency Medical Evacuation and Emergency Reunion

Would you know what to do if you found yourself in a life-threatening situation far from home? Tokio Marine HCC – MIS Group is experienced in arranging emergency medical evacuations. Atlas covers eligible expenses necessary to transport you to the nearest medical facility qualified to treat your life-threatening condition. We also understand the importance of family support in these difficult situations. Atlas Premium and Atlas Travel cover transportation, lodging, and meal costs for a relative to join you after a covered emergency medical evacuation, up to the lifetime limit.

Repatriation of Remains

What would your family do if disaster struck while you were away from home? The death of a loved one is never easy, no matter the circumstances. In the unfortunate event of your death while traveling abroad, Tokio Marine HCC – MIS Group will arrange for and cover eligible costs associated with the repatriation of your remains.

Return of Minor Children

If you are expected to be hospitalized for more than 36 hours due to a covered injury or illness and covered children under 18 years of age will be left unattended as a result, Atlas Premium and Atlas Travel will cover the transportation cost for the children to return home.

Terrorism

In these turbulent times, the risk of a terrorist attack is a reality. If you are in the wrong place at the wrong time, and the country or region you're visiting is NOT under a level 3 or level 4 travel advisory, the Atlas line offers coverage for eligible medical expenses resulting from those acts. Coverage excludes countries or regions for which the U.S. Department of State has issued a level 3 ("reconsider travel") or level 4 ("do not travel") advisory.

Political Evacuation

If, during the coverage period and after your arrival, the United States government issues a level 3 or level 4 travel advisory for your

destination country, Atlas Premium and Atlas Travel will coordinate your alternate departure arrangements from that country and cover eligible associated costs.

Natural Disaster – Replacement Accommodations

Natural disasters can happen anywhere and at any time. If a natural disaster occurs on your trip, causing you to become displaced from your accommodations, Atlas Travel and Atlas Premium will provide relief of a maximum of \$250 a day for 5 days to help cover the costs of alternative accommodations.

Atlas* Quality Benefits
