## VisitorSecure<sup>®</sup>

VisitorSecure is a budget-friendly insurance plan from WorldTrips for when you have relatives visiting the United States or for travel abroad. VisitorSecure provides coverage while traveling to the U.S. and internationally.

# Why Choose VisitorSecure?

Whether you are looking for coverage for yourself, one individual, or a group of friends or family members, VisitorSecure may have the features you need. Each plan includes coverage for medical expenses, emergency medical evacuation, and common carrier accidental death and dismemberment. In addition, the plan offers a choice of deductibles and coverage options to help the plan meet almost any budget.

## DO I NEED VISITORSECURE INSURANCE?

Traditional domestic plans are available to permanent residents of the U.S., but family and friends who visit these individuals often need health insurance that provides coverage while they are in the U.S. VisitorSecure provides international visitors with inpatient and outpatient hospital benefits for eligible medical expenses, valuable emergency travel benefits, and travel assistance services in case the unexpected occurs abroad.
